

# WORLD AIDS DAY

**DECEMBER 1, 2009**

## Globally

**\*By 2007, 25 million people have died of AIDS  
In 2007:**

**33.2 million people live with HIV**

**15.5 million women live with AIDS**

**An estimated 2 million people died of AIDS**

**2.7 million new adult cases appeared**

**2 million children live with AIDS**

**370,000 children live with AIDS**

**270,000 children died from AIDS transmitted  
to them from HIV+ mothers**

**It estimated that by 2010, 20 million children  
will have been orphaned by AIDS**

**Here's how YOU can help eradicate this global killer:**

- 1. Become a UM Global AIDS Fund Ambassador.**  
Ambassadors for the UM Global AIDS Fund agree to do the following: (see <http://new.gbqm-umc.org/>)
  - Provide a monetary gift to the UM Global AIDS Fund
  - Promote the work of the UM Global AIDS Fund in his or her local church, District and Conference.
  - Pray daily for the work of the UM Global AIDS Fund
- 2. Get involved in community plans for awareness events**
- 3. Volunteer at a local advocacy organization**

\*Statistics from AVERT.ORG, an international AIDS charity
